

## *ADMINISTRATIVE DIRECTIVE*

**DATE:** March 15, 2022

**TO:** American Medical Response, San Mateo County Prehospital Emergency Medical Services Group (JPA), and South San Francisco Fire Department

**FROM:** Travis Kusman, MPH, Paramedic, EMS Director 

**SUBJECT:** COVID Metric Reporting Rescinded (22-OPS-02)

---

The California Department of Public Health (“CDPH”) and the Emergency Medical Services Authority (“EMSA”) have rescinded the weekly COVID data reporting requirement. Prehospital provider agencies are no longer required to report to the EMS Agency in accordance with Administrative Directive 22-OPS-01.

Thank you for your partnership in complying with the State initiated requirement while it remained active.
