

SERVICES PROVIDED BY CONTRACT AGENCIES:

DENTAL SERVICES

Provided through San Mateo Medical

Center Dental Services; dental services provided by dentists with experience in HIV.

Services are available in Menlo Park at the

Willow Clinic. Call 650-578-7198 for details.

FOOD SERVICES

Provided through AIDS Community Research Consortium (ACRC). Services include free groceries and nutritional supplements at ACRC.

Home delivery is also available. Call 650-364-6563 for details.

HARM REDUCTION COUNSELING

Provided through the Harm Reduction Therapy Center; a non-judgmental approach to helping individuals reduce the negative impact that drugs, alcohol and/or sexual behaviors have on their lives. Services provided at the clinics.

Call Edison Clinic and ask for the Harm Reduction Counselor.

HOUSING ASSISTANCE

Provided through the Mental Health Association (MHA). MHA can assist with rent or emergency housing in order to maintain housing for people with HIV and avoid homelessness. Call 650-368-9989 ext. 120.

EMERGENCY FINANCIAL ASSISTANCE

Provided through the Mental Health Association (MHA). MHA can assist with utilities and other emergency financial situations. Call 650-368-9989 ext. 120.

Most services are offered in Spanish. In some cases, Spanish interpreters are used.

PRIMARY MEDICAL CARE

Primary medical care provided by experienced HIV practitioners.

PSYCHIATRIC CARE

Psychiatric care including medication management and counseling available to clients who have mental health issues and would like to work with an experienced psychiatrist in HIV.

MEDICAL CASE MANAGEMENT SERVICES

Assistance in maintaining connection to medical care and treatment. Referrals for housing, food, dental care and counseling are provided by Social Workers. Call the clinic sites and ask for an HIV Social Worker.

PARTNER SERVICES

Support in disclosing HIV status to sexual or injection drug use partners. Trained counselors can provide support in disclosure or anonymously disclose for you. Contact the Partner Services Counselor at 650-573-2609.

BENEFITS COUNSELING

Assistance in understanding and applying for benefits (Medi-Cal, SSI, SSDI, CARE-HIPP, State Disability, General Assistance, etc.). Call the clinic sites and ask for the HIV Benefits Counselor.

AIDS DRUG ASSISTANCE PROGRAM (ADAP)

ADAP can cover the cost for many medications used to treat HIV and related medical conditions. Eligibility is based on income. Call the clinics and ask for the HIV Benefits Counselor or Social Worker.

MEDICATION ADHERENCE / NUTRITIONAL COUNSELING

A licensed clinical pharmacist can assist you in understanding how to take the medications prescribed by your physician and suggest ways to minimize any side effects from your medications. The pharmacist can also provide nutritional information specific to your medical problems. Call the clinic and ask for the HIV pharmacist.

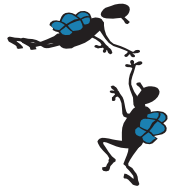

DRUG AND ALCOHOL TREATMENT

Referrals and placement in outpatient as well as residential treatment programs. Call the clinic sites and ask for the HIV Substance Abuse Counselor or Social Worker.

SPANISH-SPEAKING SUPPORT GROUP

Available to help people cope with stress and build social connections. Support group meets in San Mateo. Call 650-573-2521 for more information.

SYRINGE EXCHANGE

Current clients can meet with their service provider to exchange used syringes for clean syringes. Also receive individual sharps containers and information on safer injecting.

See other side for contracted services.
